** Subject to receipt of six consecutive monthly payments.

*** Discounts only apply to treatments carried out at the practice and do not apply to additional hygiene visits, implants, orthodontics, facial aesthetic treatments or sedation.

**** The Worldwide Dental Emergency Assistance Scheme is a scheme established to offer support and assistance to dental plan patients who request treatment following a dental trauma and/or dental emergency or oral cancer. The Scheme responds to requests for assistance on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, it has no obligation to provide any benefit unless it first decides (in its sole and absolute discretion) that it should provide a benefit. There are some circumstances in which the Scheme is not designed to help and these are explained in more detail in the Scheme Handbook. Each request will be looked at individually to assess the request for benefit. Certain restrictions and limitations may apply in the event that the request is accepted and it is possible that the Scheme will decide to provide no benefit.

How do I register?

You just need to complete a simple agreement form to become a member. This will require your signature and bank account details. We will then set up a monthly Direct Debit payment.

Please speak to any member of the team if you would like more information.
