

## Lime Tree Dental Practice

### Charter on Patient Safety

Lime Tree Dental Practice has a safety culture which means that patient safety is at the forefront of everyone's mind; not only when delivering healthcare but also when setting objectives, developing procedures, purchasing new products and equipment. It is also a culture that is open and fair, where team members can discuss the challenges they face at work for the best interests of our patients. For patient safety we:

- Follow the latest infection prevention guidelines including those from NHS England.
- Use dental instruments that are single use, or are sterilised after each patient use.
- Decontaminate work areas including the dental chair, hand held equipment and cupboard handles, in between patients.
- Maintain a high standard of personal hygiene including clinical clothing and the restricted wearing of jewellery.
- Monitor practice water for quality. Dental unit waterlines are disinfected and kept clear.
- Handle waste according to current regulations and dispose of it with appropriate carriers.
- Take expert advice if a team member may have a blood borne infection. The team member will have an occupational health examination and follow professional advice on their role in treating patients

All of our team members are trained in the safeguarding of children and vulnerable adults. We follow the practice safeguarding procedures, which are regularly monitored and reviewed.

The practice is kept up to date with the latest guidelines, good practice and regulations. We run a continuous, governance improvement programme which updates us with CQC and GDC requirements.

Nick Williams & Jonathan Jones have overall responsibility for the practice. The team is kept up to date through regular meetings, staff training, personal development and regular appraisals.

We always welcome questions, comments and suggestions from patients and the team. Please contact Anita Williams at the practice, if we can help you in any way.

Yours faithfully,

Jonathan Jones & Nick Williams  
Dentists & Practice Owners.  
Lime Tree Dental Practice, Portishead.
